

Aqua Master Pro AQM Pro 200

Set up – Switch on – Start work

Automatic 635 nm rotation laser for indoor and outdoor applications. Rapid horizontal self-levelling, vertical alignment with adjustable foot. Pendulum system with magnetic damping and 3.5° self-levelling-range.

High operating reliability through automatic switch-off and acoustic signal if tolerances are exceeded. Precision 2 mm / 10 m, vertical reference beam and 90° reference points, dust- and splashwater-proof. All functions can be operated by remote control, laser reception up to 200 m.

3 power supply systems: Mains operation, rechargeable battery (25 hours), battery operation (45 hours).

Complete equipment including all-in-one Senso-Commander Pro 200 laser receiver and remote control, universal mount, carrying case, vertical / wall mount, battery charger, high-performance rechargeable battery, additional battery compartment and batteries.

max. 200 m

Include:

Battery charger

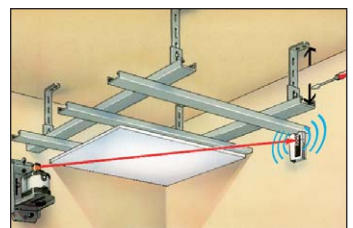

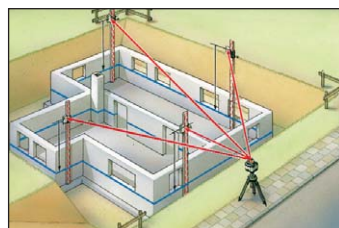

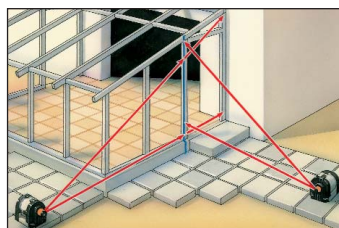

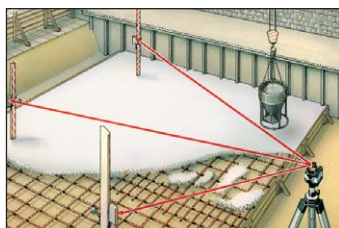

Rechargeable battery

Battery compartment and batteries

Vertical / wall mount

Senso-Commander Pro 200

Universal mount and carrying case

Order No: 029.01.00A
